

## REMARKS

Claims 29-93 are in the application (claims 1-28 having been previously canceled). Claims 29-38 & 40-46 were allowed. Claims 39 and 47-93 were rejected under 35 U.S.C. §112 as indefinite.

Applicant appreciates the Examiner's careful review of the claims. With this Amendment, Applicant has amended the rejected claims to address the Examiner's rejections, and to more clearly describe certain aspects of the present invention. As the rejected claims were previously indicated to include allowable subject matter, Applicant submits that all claims should be in a condition for allowance at this time.

Reconsideration and allowance is requested. If there are any questions regarding the foregoing, Applicant would like an opportunity to discuss such questions with the Examiner by way of a telephone or in-person interview.

Please charge any additional fees due, or credit any overpayment, to Deposit Account No. 50-0251.

No new matter has been added.

Respectfully submitted,
